

OUR DIGITAL STRATEGY FOR REAL ESTATE

Our team of experts will catapult your property with the power of the web and social media.

Sell your property quickly and at the best price.

- ✔ Geolocated and targeted buyers
- ✔ Email blast to our network of prospects
- ✔ Geolocated and targeted buyers
- ✔ Remarketing thanks to our website
- ✔ Massive broadcasting on Social Media
- ✔ Generated leads intended for your property

With Facebook ad manager and our team we can target people showing an interest in purchasing a property in the past 160 days.

Example: if someone is searching for a property on any one of the major real estate banners, we will be able to re target that person to **YOUR PROPERTY.**
